

Customer Driven, Community Minded, Environmentally Responsible

Programmable Thermostat Incentive Program

Reduce your heating and air conditioning costs

easily and dramatically with a programmable thermostat. Programmable thermostats allow you to set the temperature of your home at times when you are away from home any time of the day. You can easily save 10% to 20% of your heating and cooling costs with a programmable thermostat. They are easy to install and use, and are relatively inexpensive.

Kaukauna Utilities is offering up to \$50 cash incentive to encourage customers to purchase and install a programmable thermostat.

Eligibility:

- The Programmable Thermostat Incentive Program is available to residential customers with a valid Kaukauna Utilities electric account.
- The thermostat must be installed prior to receiving a cash incentive. You can install the thermostat yourself or have it installed professionally.
- In no case will Kaukauna Utilities pay more than 50% of the actual purchase price of the thermostat with a maximum rebate of **\$50**.
- SMART thermostats (Nest, Ecobee3, LyricT5, Allure) do not qualify for the incentive; however please take advantage of the \$75 rebate offered from Focus on Energy

How to Apply:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions and complete the incentive application below.
2. Attach the original sales receipt (**or** a copy of the receipt) or paid invoice for the programmable thermostat indicating date of purchase, store name and who installed the thermostat.
3. Drop off your completed application at our office or mail it to:
Kaukauna Utilities
777 Island St
Kaukauna, WI 54130

Certification and Agreement

I understand that this offer provides an incentive up to \$50 toward the purchase of a programmable thermostat (also known as a setback thermostat). The thermostat MUST be installed prior to receiving an incentive payment. The incentive payment only applies to the cost of the thermostat and does not apply to the cost of installation (if installed professionally). This incentive is available only to customers of Kaukauna Utilities.

Kaukauna Utilities does not guarantee that the purchase and installation of your programmable thermostat will result in energy cost savings. Kaukauna Utilities makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall Kaukauna Utilities be liable for any incidental or consequential damages.

I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that Kaukauna Utilities reserves the right to verify sales receipts an installation before issuing incentives.
