

Braeburn® Thermostats

2020 - 1H / 1C

Perfect for single stage furnaces and most two stage furnaces offered by Christensen & Wisnet.

2220 - 2H / 2C

Perfect for modulating furnaces and two stage air conditioners or heat pumps.

You Choose!

Select what programming mode your thermostat uses.

- A) 7-Day Programmable (each day on it's own)
- B) 5/2 Programmable (weekdays and weekends have rules)
- C) Non-Programmable (simple operation, adjust as needed)

Large Print Display

Easy to read temperature and set temp.

Easy to Use

Designed with simplicity in mind.

5 Year Warranty

(1 Year Labor Warranty included if we install the thermostat)
